Dear Sir,

**PRELIMINARY AMENDMENT
and
FEE AUTHORIZATION**

Applicants wish to amend this application as follows:

IN THE CLAIMS:

Please amend claim 9 as shown below:

9. (Amended) The method of claim 1, wherein the H₂ gas is generated by microorganisms selected for their ability to evolve H₂.

Please enter new claims 24 and 25 as shown below:

24. (New) The method of claim 1, wherein the H₂ gas is generated by soil microorganisms.

25. (New) The method of claim 1, further comprising combining the soil exposed to H₂ with soil not exposed to H₂, and growing the plant in the thus combined soil, wherein the H₂ is generated by H₂ evolving microorganisms.
